

NOVEMBER 2025

HEAD START 3-5 YEARS

FAMILY ENGAGEMENT

HOME PROJECT

Childs
Name: _____
Site: _____
Class #: _____
Teacher Signature: _____

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Weekly Total
						1. Cut out faces from a magazine and glue them on a paper. Review the emotions the people have with your child and write their thoughts	
						1 HR	
2. Make stick puppet characters of your child's favorite book for them to recreate. (Ex. Draw Goldilocks and the 3 Bears, cut them out and glue on sticks)	3. Literacy: Create a book using family photos. Use construction paper, glue, family photos	4. Have your child use color tape to create different shapes on the floor or table. Then have child draw the different shapes they created on a piece of paper	5. Take a walk in the park and take pictures of insects. Then have child draw the insect they most enjoyed observing write down what they say as to why	6. Ask your child to draw a picture of his/her best friend playing at school. Have him/her tell you about the picture	7. Using an empty shoebox, fill it with items that are "hard", "soft", "smooth", and "rough" (rocks, seashells, cotton balls, etc.). Make holes on the lid and cover the box. Have your child put hand inside the box, touch an object and try to use words to describe it	8. Encourage your child to draw a picture of their favorite food and ask him/her to explain why it is their favorite.	
30 Mins	1 HR	30 Mins	1 HR	30 Mins	1 HR	30 Mins	
9. Encourage your child to experiment with building blocks and other items, such as small cars or dolls. Encourage thinking and creativity. Ask and write down what he/she is building	10. Steam - Science: Make a volcano using a water bottle, baking powder and white vinegar. Pour baking powder in the bottle then add vinegar and discuss the reaction. Share picture on LG	11. Read some books with your child about his/her favorite insect for 20 minutes. Ask your child to make a drawing of what he/she remembers and take notes	12. Self Esteem: Have an exercise competition doing pushups, jumping jack and sit-ups. Take a picture and share on LG	13. Help your child draw the handwashing steps (6) and go over them with family members.	14. Ask child to count plates, napkins, forks, spoons and knives for each member of family and set up table. Talk about how utensils are used ask child to draw how utensils look on the table	15. Cut out animal pictures, from a magazine, and have them sort and glue the animals on paper according to their habitat or home (Ex. jungle, ocean, farm, etc.)	
30 Mins	30 Mins	1 HR	30 Mins	30 Mins	30 Mins	30 Mins	
16. Music & Movement: Each Family member pick a song to dance and sing too	17. Help your child create a Turkey and decorate it with materials found at home. (EX: feathers, beans, coffee)	18. Visit local market Talk to child about fruits and vegetable, ask child about their favorite food and how it tastes Draw picture of favorite fruits	19. Take a walk on street or in the park. Collect leaves, bark, twigs, branches, flowers, and different sizes of rocks and pebbles. Name objects, talk about texture, shape and color. Help child to glue objects on piece of paper	20. Role play with your child (ex. Firefighters, princesses, restaurant, etc.) make a hat, crown or costume out of brown paper bags to represent child's idea	21. Make safety rules of how to enter and exit a vehicle and go over the rules and pictures with your child (sit in car seat, parent puts on seat belt, when car is completely stopped; parent will unstrap child and always exit with a parent)	22. Steam - Science: Using coffee filters, q-tips, food coloring and water. Dip q-tip in food coloring and water then paint on coffee filter creating art.	
30 Mins	1 HR	1 HR	1 HR	1 HR	30 Mins	30 Mins	
23. Create fun homemade musical instruments (Go online or ask teacher for ideas). Make up your own music and dance	24. If it snowed ice cream what would you do...? Draw your favorite ice-cream flavor	25. Write your first name 4 times then try to write your last name.	26. Create a name puzzle with your child's first name and let child practice putting it together.	27. 	28. 	29. Encourage child to find different objects at home to identify their size (small or big), help children create a chart of their findings.	
1 HR	30 Mins	30 Mins	1 HR			30 Mins	
30. I spy... Name a color and have your child find objects of that color around the household
